

THE ROGOSIN INSTITUTE
Centers For Medical Research And Health Care

**Comprehensive Lipid Control Center
Patient Instructions**

OFFICE ADDRESS and LOCATION:

**The Rogosin Institute Maurice R. Greenberg
Comprehensive Lipid Control Center
1167 York Avenue
(Corner of 63rd Street and York Avenue, Ground Level)
New York, N.Y. 10021
Phone: 212-702-9600
Fax: 212-702-9588**

FOR THE FIRST VISIT, please arrive 15 minutes early and bring:

- Your completed patient information and history forms.
- Insurance card (s) (see enclosed Billing/Payment Guidelines).
- Signed prior authorization number and/or referral for managed care programs of which we are participants (if applicable).
- **Prior relevant fasting blood test results.**

IMPORTANT NOTICE IF YOU ARE HAVING YOUR LABS FAXED TO OUR OFFICE:

It is the patient's responsibility to contact our office to confirm receipt of report(s) PRIOR to your appointment.
YOU WILL NOT BE SEEN WITHOUT YOUR FASTING LAB REPORTS.

FOR PHLEBOTOMY VISIT: (If applicable for scheduled lab test ONLY)

- Fast 12-hours prior to your scheduled appointment (only water is allowed).
- **Take all your medications except insulin or oral diabetes medications.** Patients who have diabetes should bring to the CLCC their medications and nourishment as necessary.

FOR A DIETITIAN VISIT: (if applicable)

If possible, please have your spouse (or any other persons responsible for meal preparations at home) accompany you when you meet the dietitian.

PLEASE NOTE:

Twenty-four hours notification is required for cancellations. Please call: (212) 702-9600.
